Dear Friends,

It is great honour to be General Director of the Organizing Committee on 2023 Olympic Hopes Regatta.

Looking forward you in Poznan.

As the President of the Polish Canoe Federation, I am proud that after 5 years, the Olympic Hopes Regatta will take place at the Maltese Regatta Course in Poznań.

The Malta Regatta course is not only an excellent training base for Juniors Clubs, but also a place of important sporting events. Thanks to its numerous amenities and convenient location, it is very popular among Poznań residents for outdoor recreation.

The fifth largest city in Poland, is situated in the western part of the country on the Warta River. The region is called Wielkopolska (Great Poland). It is rich in lakes, woods and fields adorned with monuments uncovering over 1000 years of Polish history.

Located at a cross-roads for both road and railway networks, Poznan is halfway between Berlin and Warsaw. Both these capitals can be reached by a EuroCity train within three hours. With a population of over 600 000 inhabitants, not only is it a vital centre of Polish trade, culture, industry and agriculture, but also an exciting spot to visit for its own sake, fully deserving to be included in tourist itineraries.

Economically, Poznan and the surrounding region is, by any standard, one of the best developed parts of the country. It is now undergoing fast economic growth, which can be attributed to the character of the local people, generally described as being hard-working and industrious. The city is proud of its International Fair, first launched in 1921, a major business venture.

The centre of the city is very compact and within a short walk one can find all the most important institutions and places of interest. Of particular interest are the Old Market Square with its Renaissance Town Hall and the Ostrow Tumski island with its Gothic Cathedral. From the large number of museums, especially worth seeing are the Museum of Musical Instruments - one of the largest of its kind in Europe, the Museum of Decorative Arts and the National Museum with its gallery of painting.

By plane

Ławica Airport is located 7 km from the city centre, in the vicinity of the route leading directly to the major city points and next to the road out of Poznań to Berlin and Warsaw.

By car/bus

You can get to Poznań driving A2 motorway, national routes no. 92, 5 (east - west direction) and no. 11 (north - south). Access from the west direction: from Berlin 270 km, from Nowy Tomysl - 108 km, where national route no. 2 is connected with the motorway to Warsaw - a charge is payable for using it.

Lake Malta with the surface of 70 hectares was formed in 1952 as a result of damming of the Cybina River. It has become a globally known aquatic sports centre with one of the most beautiful regatta courses - the Malta Regatta Course. The surrounding areas were used to create the recreational infrastructure including the all-year-long ski slope, ice rink open in the winter season, summer sleigh track, bicycle paths and the New Zoo with the extra attraction of the Maltanka narrow gauge park railway.
