OLYMPIC HOPES REGATTA

INVITATION

Dear National Federations,

We are delighted to inform everyone that the traditional Olympic Hopes Regatta will take place at the originally planned date in September in Szeged. Since the 2020 ICF Junior & U23 Canoe Sprint World Championships has been cancelled by the ICF, we decided together with the Czech, Polish and Slovakian Federations to include single and double events for the athletes of the U18 age groups as well.

As a result of the effective measures taken against the spread of the coronavirus, very few infections have occurred in Hungary, therefore the Government has already started easing the restrictions. It indicates that there will be safe conditions provided for everyone arriving in Szeged in September.

However, in the current situation, we consider it important to see the number of participant countries and athletes of the Olympic Hopes Regatta in order to prepare all the necessary precautionary measures for the safe organization of the competition. Please provide us with as accurate information as possible in the numerical entries within the deadline indicated in this document.

The modified programme of the event has been prepared including the events of the U18 age groups, which can be found in the below pages.

On behalf of the Czech, Polish and Slovakian Federations, we wish everyone very good health!

The Hungarian Canoe Federation is looking forward to seeing you at the Olympic Hopes Regatta between 17-20 September 2020 in Szeged.

If you are looking for more information, do not hesitate to visit the official website of the competition: canoeszeged2020.com.
